Promotional Blurb: WithEarsToHear.org

WithEarsToHear.org is a resource for those who LISTEN to preaching - orienting the ear toward the Christian sermon.

The resource intends to serve a variety of listeners: people who believe, people who might be drawn toward faith in the Living God, those who serve on Call and Internship committees, confirmands, those who teach confirmation, and anyone generally curious about the Christian sermon.

WithEarsToHear.org is free and accessible on your computer, tablet, and smartphone. You will also find printable handouts (pdf) of the content for use by individuals, study groups, and congregations.

Take a few minutes to explore this resource. Share it with congregations, family, and friends. Also, feel free to “like” and follow WithEarsToHear.org on Facebook.

WithEarsToHear.org is the work of Dr. S.D. Giere, an ELCA pastor who serves as Associate Professor of Homiletics and Biblical Interpretation at Wartburg Theological Seminary. He hopes that, if even in small ways, this resource might help to revitalize the proclamation of the church from the pew to the pulpit.
